REQUEST FOR RECONSIDERATION

Sir:

On November 10, 2008, Applicants submitted a Response to Notification of Defective Response with a petition for acceptance of the above-identified application absent a declaration signed by four (4) inventors, Pun Jae CHOI, Jin Soo PARK, Seong Han KIM, and Hyeon Ryong CHOI. On January 13, 2009, the U.S. Patent & Trademark Office issued a Decision on Petition dismissing the Petition.

In response to the Decision on Petition, Applicants submit this Request for Reconsideration in light of the fact that after further diligent efforts, each of the three above-named inventors has been located, and each of these inventors has executed a Declaration. Enclosed herewith is the a copy of the Declaration executed by each of Pun Jae CHOI, Jin Soo PARK, Seong Han KIM, and Hyeon Ryong CHOI, and Myeong-Kook GONG.

It is believed that all formal requirements for acceptance of this application have now been met. However, should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact John A. Castellano at the telephone number of the undersigned below.

As noted in the Examiner's Response to Petition under 37 CFR 1.47 (a), Applicants note that no additional petition fee is required for this Renewed Petition.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 08-0750 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly, extension of time fees.

Respectfully submitted,

HARNESS, DICKEY, & PIERCE, P.L.C.
